

The CARE Project NEEDS YOUR SUPPORT

Sponsor Invitation

The CARE Project, a 501 c 3 public charity, is a nonprofit organization dedicated to bringing emotional counseling opportunities to families with children who are deaf or hard of hearing, ultimately bringing them on a journey to resilience. CARE provides a set of tools used by many professionals to not only educate families but to also provide the service providers a greater awareness on the families' emotional journey.

The upcoming fundraiser event, World Premiere of The CARE Project Documentary Film, on September 23, 2011 is being held to bring funds into the program for the following reasons:

1. Translation of all materials into other languages
2. Establishment of a living journal so that more families and professionals may have the opportunity to share their journeys on film for which others will benefit
